

NHPN Appoints Gregg Leff Senior Vice President

Wayne, PA, May 3, 2010 (BUSINESS WIRE) - National Healthcare Payers Network, LLC (NHPN), a healthcare revenue cycle management company, announces the appointment of Gregg Leff to the position of Senior Vice President.

"We are looking forward to Gregg joining our senior management team. His extensive knowledge of the healthcare revenue cycle space and management experience will further advance our goal of establishing NHPN as a major player in the industry," stated Michael Forese, President and COO. Kurt Kozin, Ian Michel and I are pleased to welcome Gregg to the NHPN management team."

Mr. Leff brings 20 years of extensive experience in the healthcare revenue cycle space, serving providers in areas such as managed care services, business development, auditing services, and contract consulting services. He most recently served as Chief Operating Officer of the MedAssets, Inc. Revenue Cycle Services Division where he had general oversight of the daily operations including Accounts Receivable Services and Managed Care Services. Previously, Gregg served as Senior Vice President of Managed Care Services for MD-X Solutions, a high growth start-up revenue cycle outsourcing company which was acquired by MedAssets, Inc. Prior to MD-X, Mr. Leff held several senior management roles across a spectrum of healthcare organizations including Vice President of Hospital Strategy at MagnaCare and Vice President of Network Development for NPPN.

Mr. Leff said, "I am very excited to be joining the senior management team at NHPN at such a pivotal time in the development of the company. NHPN has assembled an impressive array of managed care professionals with a real results-oriented focus. I am confident this team can ensure that our clients successfully navigate through the complexities of healthcare reimbursement."

About National Healthcare Payer Networks, LLC (NHPN)

NHPN, a national healthcare revenue cycle management company, supports hospitals and healthcare provider organizations by offering customer-focused and cost-effective solutions to the toughest problems in revenue cycle management. The company provides a suite of niche services and innovative consulting to the healthcare industry, allowing providers to optimize revenue. NHPN has developed programs that change the current reactive process present in most healthcare organizations to a proactive process allowing providers to increase revenue and reduce administrative cost.
